“Portrait of a Graduate: Envisioning Future Ready Learners”
Dr. Karen Garza, President and CEO, Battelle for Kids
Karen will share how school systems across the country have engaged their larger community in developing a Portrait of a Graduate, a collective vision that articulates how systems are being more intentional in fostering critical 21st century skills and mindsets to ensure their students are engaged and well-equipped to thrive in this complex, rapidly changing world.

9:30-10:00	<p>“Tapping our Greatest Resource: Empowerment” Jamie Meade, Chief of Staff, Battelle for Kids When educators are well equipped with knowledge and skills to foster hope in their schools, they are leveraging our greatest educational resource: empowerment. Jamie will discuss how hope inspires students to achieve their goals toward a better future.</p>
10:00-10:20	Break and Visit Exhibits
Breakout Sessions:	<p>Four KY districts will share their journeys thus far in creating district Portraits of a Graduate and one session will explore improved professional learning and networking around the needs of English Language Learners in KY districts. Conference attendees will chose 2 of the 5 offered sessions. See BREAKOUT SESSIONS DESCRIPTION sheet at your table for additional information.</p>
